

Pelham Bay Park – Turtle Cove

Meeting Place:

BY CAR: Two major highways provide access from points north and south: The Hutchinson River Parkway and the Bruckner Expressway/New England Thruway combination. Both highways have “Orchard Beach/City Island” exits from either direction. Once you’ve exited, just follow the signs to Orchard Beach. The major cross-town route in The Bronx is Pelham Parkway. Take it eastbound, past the New England Thruway, over the Pelham Bridge. Go right at the traffic light on to City Island Road. The staging area and registration for the MillionTrees planting event is on the left at the Golf Driving Range.

BY TRANSIT: Take 6 train to last stop, Pelham Bay Park. Do not go down the stairs. Instead, walk across the bridge and down the ramp to the park side. There is no bus service to Orchard Beach at this time of year. A Parks Dept. shuttle bus will meet you to drive to Orchard Beach.
