

Floyd Bennett Field

BY CAR: Take the Belt Parkway to Exit 11S, Flatbush Avenue. Merge onto Flatbush Ave South, and continue through two stop lights. The entrance to Floyd Bennett Field will be on the left at the last traffic light before the toll bridge to the Rockaways. Turn left onto Aviation Road and enter the park. Make a left at the first intersection toward Ryan Visitor Center (RVC). Continue for about a mile and past the RVC until you see large orange barriers on your right. Turn right into the gap at the end of the line of large orange barriers. Continue going straight down the wide runway. The planting area will be on your left.

BY TRANSIT: Take the 2 or 5 train to the last stop (Flatbush Ave/Brooklyn College). Take the Q35 south on Flatbush Ave to Aviator Sport Complex (1st bus stop after passing over the Belt Parkway, or just ask the driver to stop at the Aviator Sports Complex, [See street view](#)). Cross the street at the crosswalk towards Aviator following the “Planting Event” signs. Continue to walk straight past the aviator complex and parking lots until you hit a 4 lane road that runs parallel to Flatbush Ave and turn left towards a line of large orange barriers. Walk all the way to the end of the orange barriers, turn right and the planting site and tents will be straight ahead.
